Circle overall rating (1-poor, 2-fair, 3-good, 4-great, 5-outstanding)

1 2 3 4 (5)

In words, how was your course experience?

Very enjoyable. All the educators had their own style of teaching which complimented each stage of the course they were teaching. The whole environment is really positive and a pleasure to be in daily. It's really amazing how much you learn in just 9 weeks and that really is a credit to the educators for constantly pushing students, and I really feel they pushed me to achieve my best work! loved every minute!
