In words, how was your course experience?

The Course was outstanding. PAN and Amir Strive for perfection. Simplifying their teaching which makes so much difference, answering questions as we go along and not moving on until everyone in the session was all on the same page. Nobody felt held back or was being left behind. My two weeks have been a real motivation and passion for my trade. The team are friendly, fun and really lovely people. The students are also lovely. Thank You
