In words, how was your course experience? Both NVQ2 and the NVQ3 were worth coming here from the USA. The Instructors were great, I'm certain I tested their patience, as their perpetual problem child. But I feel I've learned a lot and understand more than I initially started with, and that is what I need. In time I will improve more and I know what the standards should be thanks to your course.

Paul, Henry and Pam and Michael are great instructors, thank you for your time and patience with me...
