In words, how was your course experience?

The whole course was a fantastic learning journey for me. Pan is an excellent tutor. He got me changed my thinking into how I can improve on a haircut. His words as well as his practical teaching skills are a visual ~~landscape~~ landscape. Tapping into all your learning senses. The shaving was really good one of the best teachers I have come across. Apart from my nerves holding the razor I felt that I would be confident in carrying out a shave.

All staff were very helpful and friendly. I look forward to doing another course in the future.
