In words, how was your course experience?

I found the course extremely professional as I have not worked as a hair dresser since 1982! I found it a steep learning curve as I have not been trained in the use of clippers and self taught. All the tutors were extremely patient and informative and explained each stage clearly. On day 2 I did my first skin fade and now on day five I can visualise the finished look more easily. Stel was a very good instructor and helped me enormously.
