Which course have you just finished? Level 2

Circle overall rating (1-poor, 2-fair, 3-good, 4-great, 5-outstanding)

1 2 3 4 **5**

In words, how was your course experience?

From knowing nothing about barbering to finishing the course I have had an amazing experience right from my first day. The educators make it, they are passionate about what they do which really comes across and helps learning the skills easier. I have met some great friends and can't wait to get a barbering job in Bristol. Thank you so much it has been amazing!!
