Which course have you just finished? NVQ2 9wk Diploma

Circle overall rating (1-poor, 2-fair, 3-good, 4-great, 5-outstanding)

1 2 3 4 (5)

In words, how was your course experience?

I had literally no experience in Barbering before I entered this 9 week course. Now due to excellent facilities and very high level of training I feel I can work in the industry with the fundamentals of the trade I learned from this course. Thank you to everyone at the LSB and I would definitely recommend this to anyone thinking of becoming a barber 10/10
