In words, how was your course experience?

My course experience was fantastic!  
I felt very welcomed and LSB became  
like my second home. I thoroughly  
enjoyed working with my LSB tutors  
and would love to come back for  
another course. My tutors changed  
my life for the better and will  
always remember how great the  
school is, also would recommend  
to anyone who wants to take up  
barbering.  
LSB is always very air conditioned  
to a good room temperature, which  
helps so your not always hot.
